

Princess Jess

Introduction

This Gulet and crew can give you a great experience cruising the coast of Ibiza. She was launched in 2002, completely refitted in 2020 and fully designed to have a fantastic time on the sea. She has a very elegant appearance, very spacious and has already captivated many guests, completely built of exclusively luxury woods such as teak, mahogany and oak. Owner and captain Robert and his wife Diana guarantee one of the most fantastic cruises

Gulet

The ship Princess Jess is a ketch-rigged two-mast and completely refitted in 2020. The ship is 25 m long and 6.5 m wide and a draft of 2,3 m which makes her a very spacious ship, the elongated keel makes it a very stable ship. Engine Iveco 330 pk, generator 25kva, water maker and 8 solar panels to get all the luxury we need.

Your accommodation

She has room for 12 guests who can enjoy themselves on the front deck for sunbathing or to relax on the aft deck on a huge lounge sofa, there is a big table where you can eat and drink and on the front deck a nice couch to enjoy the view.

Activities

Paddle boards, snorkeling gear and tender (operated by the crew) that can bring you a shore to visit the breath-taking places you want to visit.

Service

During the day you will be served some snacks Coffee, tea, water, various soft drinks such as cola, diet coke, Fanta, sprite. Rose, red and white wine and beer. Strong drinks, special wines can be specific ordered on request but not included.
